

How to enable breakout rooms

in Zoom

Date : 20/03/2020

In order to be able to use breakout rooms during your lessons, it is necessary to activate this option in your settings.

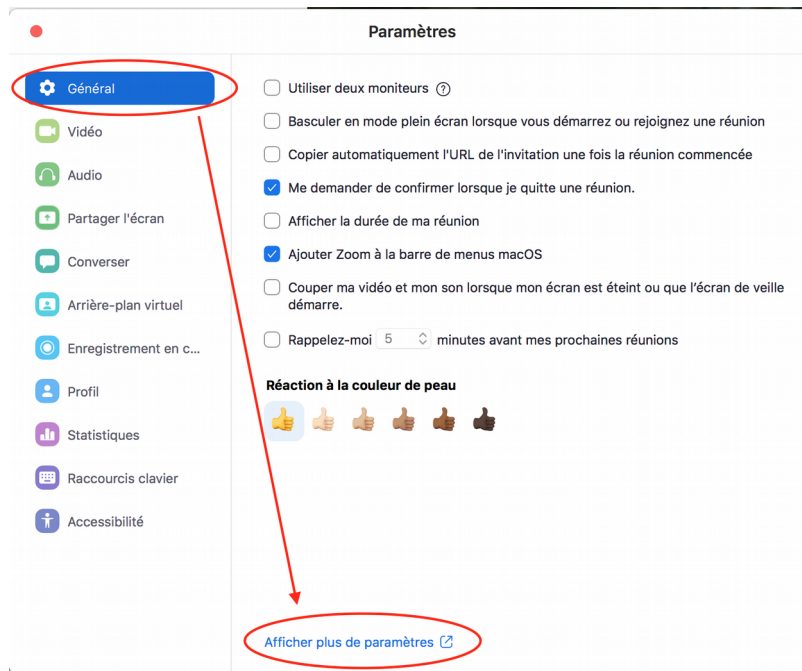

1 Open the setting menu

In the Zoom app, click on your name.

If you use the web interface, you need to click on « My account ».

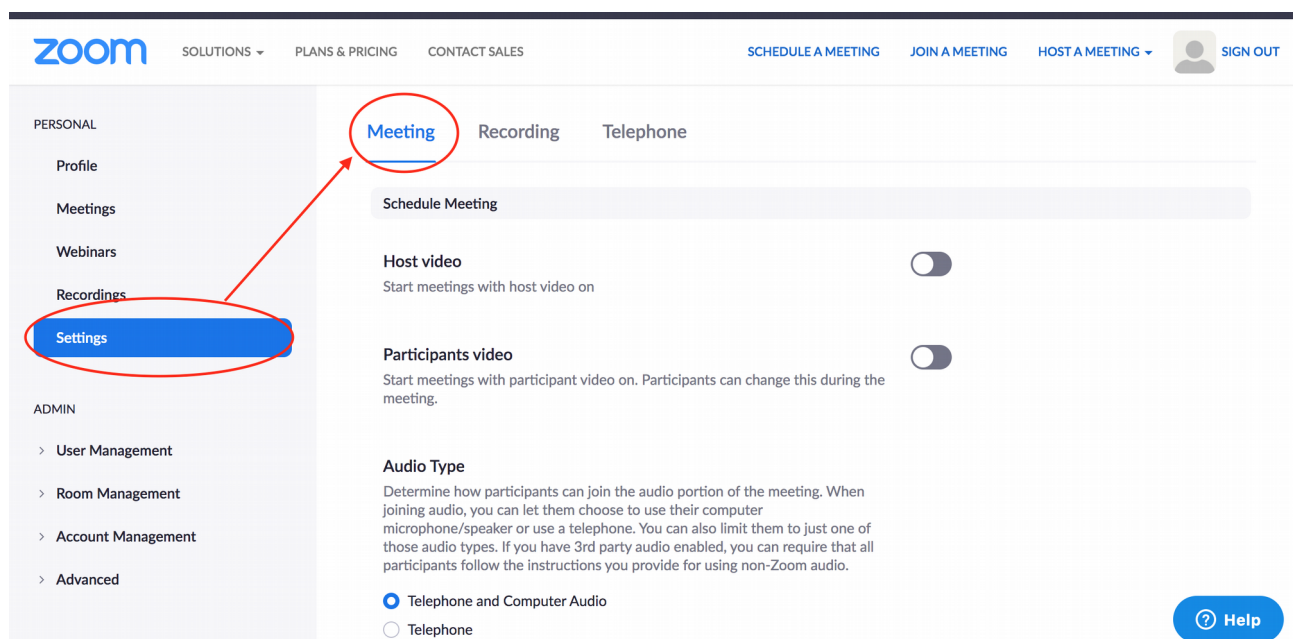

2 Go into the advance settings menu

This will open a web page

This step is not necessary if you are already in the web interface.

3 Go to the meeting parameters menu

4 Activate « Breakout rooms » (« Salle de petits groupes »)

In Meeting (Advanced)

Breakout room 

Allow host to split meeting participants into separate, smaller rooms

Allow host to assign participants to breakout rooms when scheduling 

Search for the Breakout rooms option and activate it.
